

# COMMERCIAL KITCHEN SERVICE

**DOWNTIME**

LOST PRODUCTIVITY?  
LOST CUSTOMERS?  
LOST REVENUE?

**CAN YOU REALLY AFFORD IT?**

For Planned Maintenance inquiries  
please contact Derrick Hill

**AVOID IT BY USING PLANNED MAINTENANCE**

Our new Barcoded system  allows for easier equipment identification. This enables us to lead the industry in identifying the problem, show up for service calls better prepared and, in turn, **SAVE YOU TIME AND MONEY.**

**SERVICE AT YOUR FINGERTIPS**

Our database keeps a detailed inspection and repair cost  history on all of your equipment giving you **FULL CONTROL & TRANSPARENCY** while budgeting for repairs or replacement.

SAVE MORE THAN **80%** OF YOUR TIME

By using our A4R System rather than making that service phone call.

**Advantage**  
Restaurant Supply & Service

**OUR SERVICE IS YOUR ADVANTAGE**
